TOREROS DEFINED

The University of San Diego, which sponsors sixteen NCAA Division I intercollegiate teams, competes under the athletic nickname of Toreros. In 1961, the Most Reverend Bishop Buddy, the founding father of USD, announced that the school's nickname would change from Pioneers to Toreros. "The name Toreros is keeping with the friendly relationship which exists between San Diego and Mexico," His Excellency said at the time. Torero comes from the spanish term toro, the bull, and from the word torear, to fight bulls. All of the contestants in the ring are called toreros. Torero is a general term describing a bullfighter and signifies courage, honor and fidelity. USD student-athletes, like the Torero, represent a willingness to stand alone in the ring and accept the challenge.

The 2003-2004 school year marks the 43rd year with Toreros as the official nickname for USD athletic teams.

EXPERIENCED TOREROS READY FOR 2003 CAMPAIGN

Eighth year head coach **Kevin McGarry** returns 54 players and 14 starters from last year's 5-5 club that finished in second place in the Pioneer Football League's North Division. Despite losing some key players from the 2002 club, McGarry believes this year's group of returning starters and players, along with an outstanding group of recruits, will provide USD with what is necessary to be successful again as they embark on another tough schedule. The Toreros head into the 2003 season ranked 9th in The Sports Network I-AA Mid-Major Top 10 Pre-Season Poll.

The offense, under the direction of first-year offensive coordinator **Tim Drevno**, will be in good hands with senior quarterback **Eric Rasmussen**, last year's team Offensive Player of the Year, leading the way. Last year Rasmussen led the NCAA I-AA ranks in passing efficiency with an outstanding rating of 164.2 as he completed 170-of-279 passes (.609 completion percentage) for 2,470 yards, 25 touchdowns and just 1 interception. As a team USD ranked 12th in the I-AA ranks in passing offense (278.1 yards per game). The Toreros also have the luxury of an experienced backup quarterback in **Brian Kirkpatrick** (26-for-41, 329 yards and 1 TD), a strong throwing and accurate passer, also in his senior year. Despite All-PFL junior receiver **Michael Gasperson** (57 receptions, 907 yards, 10 TDs) out indefinitely after suffering a knee injury on the last day of spring practice, Rasmussen will have a solid group of receivers to throw to. Sophomore **Adam Hannula** (44 receptions, 641 yards, 7 TDs) is now the key target, but opponents will also have their hands full trying to cover the likes of senior **Brent Labarrere** (14 for 180 yards) and junior **Nick Garton** (15 for 161

yards), and a trio of capable tight ends - senior **Jeff Incerty** (17 for 309 yards, 2 TDs), senior **Kyle O'Connor** (13 for 241 yards, 2 TDs) and redshirt freshman **Dustin Owen**.

Despite losing their top two running backs in Kenneth Villalobos (618 yards, 6 TDs) and Philip Thrash (389 yards, 2 TDs), the Toreros will count on junior **Baxter Box** to pick up where the graduated seniors left off. Box, who carried the ball just 9 times last year for 44 yards, was an All-District pick his senior year at Highland Park HS in Dallas, Texas when he totaled 1,200 yards. Box will be pushed by a handful of returners and newcomers. Most notably is newcomer **Evan Harney** who started his collegiate career at UC Irvine in baseball - Harney rushed for 1,500 yards and 20 TDs his senior year at nearby Fallbrook HS with the team winning the CIF Division I title.

The offensive line will be anchored by two players that earned 2002 honorable mention All-PFL honors - senior guard **Ariel Bellofiore** (6-2, 353 lbs.) and junior tackle **Keith Zapalac** (6-4, 270 lbs.). Sophomore guard **Josh Sanders** (6-3, 290) rounds out the trio of returning offensive linemen that started. Junior tackle **Matt Collins** (6-5, 275), who earned honorable mention All-PFL honors in 2001, returns after sitting out the 2002 campaign and will improve the line's strength.

The defense, under the helm of defensive coordinator **Jason DesJarlais**, will center around the play of senior linebacker **Andy Guzinski** who was tabbed the team's Defensive Player of the Year in 2002. Guzinski led the Toreros in tackles for the second straight season with 90 on his way to earning First Team All-PFL honors. Guzinski is joined by seven other returning starters - senior free safety **Bryan Newbrough** (73 tackles, 3 interceptions), senior invert **Adam Combs** (58 tackles, 6 tackles for loss), senior invert **Kyle Fitzgerald** (53 tackles), senior defensive back **Gavin Ng** (45 tackles, 5 for loss), senior tackle **Josh Noga** (39 tackles), senior end **Chris Conroy** (26 tackles) and junior end **Daniel Howard** (25 tackles). Others expected to see plenty of action on the defensive side of the ball include junior tackle **Ashur Benjamin**, junior linebacker **Jeff Langdon**, junior linebacker **Paul Kumer** and junior end **Josh Pierce**. A quartet of transfers will bolster USD's defensive depth - defensive back **Allen Russell** (Nevada), tackle **Joe Maietta** (St. John's), invert **Philip Bretsch** (UC San Diego) and end **Jeromy White** (Ohio U.).

The special teams unit, under the guidance of first-year coordinator **Richard Sanchez**, will play a strong role in USD's success this season. Senior **Gavin Ng**, the 2002 Special Teams Player of the Year, returns after averaging 22.1 yards per kickoff return and 9.2 yards per punt return. Senior **Adam Williams**, who ranked 20th in the nation in kicking, returns after leading the Toreros in scoring with 67 points. He converted 11-of-16 field goals and 34-of-35 PAT kicks. Williams, along with senior **Brent Labarrere**, shared the punting duties in 2002. Labarrere averaged 39.7 yards on 26 punts while Williams netted 34.5 yards on 17 punts.

Once again USD undertakes a very challenging schedule. Seven of USD's ten games will be played at Torero Stadium. Home nonconference contests include Azusa Pacific, La Verne, Holy Cross, Southern Oregon, and Marist. PFL opponents Drake and Butler also visit. USD's road games include Davidson, Valparaiso and Dayton. The PFL Championship game on November 22nd will be played at the site of the North Division winner.

KEVIN McGARRY

- ◆ 8th Season as Torero Head Coach
- ◆ 26th Season on USD Coaching Staff
- ◆ 2002 PFL North Division Coach of the Year

Kevin McGarry enters his 8th season as head coach of the USD Torero football program. It is also his 28th season of involvement with the program - he was an assistant coach for eighteen seasons prior to being named the head coach, and he also played two seasons (1976-77) for the Toreros. With 54 returners and 15 starters back from last season's 5-5 club, McGarry is optimistic the Toreros will continue their success that saw them finish in 2nd place in the PFL's North Division. Coach McGarry, who was selected the 2002 PFL North Division Coach of the Year, enters the 2003 season with a seven-year record of 34-36.

In 1997 McGarry directed the Toreros to an 8-3 overall mark and a school-best second place finish in the Pioneer Football League with its 4-1 mark. The 1997 campaign was USD's best showing since moving to the NCAA Division I-AA ranks and the PFL conference in 1993. The '97 club became only the fourth USD squad to achieve at least eight victories in 35 years of Torero football, and it was the program's most victories since the 1981 season. The team's 33.6 points per game average ranks second all-time in USD football.

The tenth coach to direct the Torero football program since its start in 1956, Kevin is the first USD graduate to head the position. McGarry is no stranger to USD football. Prior to being named the head coach in 1996, he was an assistant coach at the University of San Diego for eighteen seasons, including the last fourteen as the defensive coordinator and defensive backs coach. He became a full-time assistant for football in 1985 — his first seven years (1978-84) were split between football, women's softball (head coach) and as an elementary school teacher. In addition to his on-the-field duties, Kevin was also responsible for recruiting and as liaison for the USD Football Alumni Club.

Over the past twenty-five seasons with Kevin on the coaching staff, USD has accumulated an overall record of 135-110-3, including eighteen seasons with records of .500 or better. Of the nine USD football players that have been named Verizon Academic All-Americans since 1981, eight have come from the defensive side of the ball, including seven defensive backs. In 1987 the Torero defense set a school record for shutouts in a season with four, and the team gave up just 100 points in ten contests and finished 6-3-1.

Prior to joining the USD coaching staff in 1978, Kevin was a two-year letterwinner on the USD football squad (1976-77), earning co-Defensive Player of the Year honors in 1977. He played two years (1974-75) at Saddleback College in Mission Viejo, California, earning Most Valuable Player honors in 1975. He received both his Bachelor of Arts in Education (1979), and his Master's Degree in Education Administration (1985) from the University of San Diego.

Kevin and Mary Ann, of Scripps Ranch, have four children: twins Pat and Mike (16 year-olds), Timbo (13- year-old), and Matt (7-year-old).

JASON DESJARLAIS

Defensive Coordinator & Linebackers Coach

Jason DesJarlais enters his second season as a full-time assistant with USD in the position of Defensive Coordinator and Recruiting Coordinator. He also coaches the linebackers.

DesJarlais returned to USD where he was the team's defensive line coach for the 1999 season. Prior to USD he was defensive line coach at Bates College in Lewiston, Maine for two seasons (2001, 2000). While at Bates College he was also in charge of recruiting areas for Massachusetts, Connecticut, Rhode Island, New York and Pennsylvania. Additionally, he earned his certification as a Strength and Conditioning coach.

Prior to first joining USD in 1999, he was defensive line coach for two seasons at Humboldt State (1997-1998), and for one year at Western Montana College (1996). A two-time All-America defensive lineman at Western Montana College, Jason helped lead his team to three Frontier Conference Championships. In 1994 and 1995, Western Montana College reached the NAIA national semi-finals.

After graduating from Western Montana College in 1997 with a B.S. in Physical Education and Biology, Jason went on to earn his Masters of Science degree in Kinesiology from Humboldt State University in 1999. From Ronan, Montana, Jason prepped at Ronan High School where he was a three-sport letterman.

TIM DREVNO

Offensive Coordinator & Offensive Line Coach

Tim Drevno begins his first year with the Toreros where he will be the Offensive Coordinator and Offensive Line Coach.

Tim comes to USD from the University of Idaho where he was the Offensive Line Coach the past three seasons (2000 to 2002). The Vandals offense ranked 6th in the nation in 2001 and 8th in 2000. Prior to Idaho he gained coaching experience at San Jose State as offensive line coach (1999-2000); with the UNLV Rebels as running backs coach (1998); at Montana State as running backs coach (1993-98); and at Cal State Fullerton as a graduate assistant (1991-92). It was at Montana State where he launched his coaching career with a five-year stint and showed his versatility by coaching running backs, tight ends and the offensive line.

Drevno was a two-year starter at offensive guard at Cal State Fullerton and a member of the Titan Football Pride Club. He played with the Titans after a two-year all-Mission Conference career at El Camino College. While Drevno was at El Camino, the team won the 1987 national championship.

A native of Torrance, Calif., he graduated from Cal State Fullerton in 1992 with a degree in Criminal Justice. Drevno and his wife, Shannon, have two children – McKenna and Zachary.

MIKE RISH - Wide Receivers, 20th Year

Mike Rish is beginning his 20th season on the Torero staff. He returns to coach the receivers, something he has done for eighteen of the past nineteen Torero seasons.

Mike played for USD from 1979-83 where he posted career numbers that make him one of the best receivers ever to play at USD -- he ranks second all-time with 101 receptions, 18 receiving touchdowns and 1,722 receiving yards. He held the school marks in all three career receiving departments from 1983 through 1997; he was passed by Torero receiver Dylan Ching.

In 1983 he was selected the team's scholar-athlete by the National Football Foundation and College Hall of Fame. In the Toreros' nationally-televised game between Occidental in 1982, Rish was named the CBS Chevrolet Player of the Game.

Mike graduated from USD with an Accounting degree in 1984. He is the Vice President for Secondary Marketing for Guild Mortgage Company in San Diego.

THAD PORLAS - Quarterbacks, 3rd Year

Thad Porlas begins his third season with the Toreros. For the second straight year he will be on the offensive side of the ball where he will coach the quarterbacks; in 2001 he directed the inverts on defense.

Last season, in his first year overseeing the quarterbacks, the Toreros ranked 1st in the nation in passing efficiency (158.72) and 12th in passing offense (278.1 yards per game). Junior quarterback Eric Rasmussen finished first in the nation in passing efficiency with a 164.2 rating.

Thad has just completed a season as an assistant coach for the San Diego Riptides, an Arena2Football team where he worked with the receivers. Porlas came to USD from Mesa College where he coached four seasons with receivers and kick returners. Prior to that, he spent six years (1992-97) at Point Loma High School coaching receivers and defensive backs -- during that stretch Point Loma advanced to the CIF playoffs each season.

No stranger to USD, Thad played football for the Toreros for two seasons (1982-83) as a wide receiver. He graduated with his B.A. in Business Administration, and later earned two M.S. degrees in Education/Mathematics and Special Education. The past thirteen years he has taught Special Education for San Diego City Schools. Thad and his wife Sue have three children: Dane, Kalani and Cheynna.

RICHARD SANCHEZ - Running Backs, 2nd Year; Special Teams Coordinator

Richard Sanchez begins his second year with the Toreros where he will again coach the running backs. This year he also takes over as Special Teams Coordinator.

He provides a wealth of coaching experience. Prior to USD he was at San Diego State for two years in the role of offensive graduate assistant working with the offensive line and returners. Prior to that he was the Athletic Director and Head Football Coach at San Diego High for two years. Between 1993-97 he coached at Montclair HS in San Bernardino County, and at Las Cruces HS in Las Cruces, New Mexico.

A 1993 graduate of New Mexico State (B.A. in Physical Education), Richard also played for the Aggies between '89-90 as a wide receiver. After graduation he played one year of semi-pro ball with the San Bernardino Blitz as a wide receiver in 1994. A San Diego native, Richard played two years at Southwestern College in Chula Vista, and graduated from Sweetwater HS in 1986. In 2002 he earned his Masters Degree in Exercise and Nutritional Science from San Diego State. Richard and his wife, Maria, have one daughter, Kristiana.

KYLE SLUSSER - Inverts/2nd Year

Kyle Slusser begins his second year on the staff where he will be in charge of the inverts on the defensive side of the ball. No stranger to USD, Slusser played for the Toreros between 1997-2001. His senior year (2001) he was selected the team's Defensive Player of the Year, was a First Team All-Pioneer Football League pick and was named a Honorable Mention I-AA Mid-Major All-America by *The Football Gazette*. He is the program's all-time leader in interceptions with 15; he also shares the single-game mark of 3 picks. Among USD I-AA players, he ranks fourth all-time with 261 total tackles. During the 1998 & 1999 seasons he earned 2nd Team All-PFL honors.

From Alta Loma, California, Kyle prepped at Alta Loma HS where he was a four-sport letterman. He graduated from USD in 2001 with a degree in Sociology.

MICHAEL FISHER - Tight Ends/1st Year

Michael Fisher begins his first season on the Torero staff where he will be in charge of coaching the tight ends. He joins USD from Syracuse University where he was a graduate assistant coach since 2000.

At Syracuse he coached with both offense and special teams, and also gained experience in coordinating defensive and special teams scout teams; film breakdown of all opponents; coordinating recruiting weekends; off-season strength & conditioning programs; and summer camps. Prior to Syracuse he was a tight ends coach at Cal Poly San Luis Obispo (1998-2000), and an offensive line coach at Santa Margarita High School (1994-98). A 1999 graduate of Cal Poly SLO, Fisher earned his B.S. degree in Kinesiology.

SHAUN MURGEL - Defensive Line/1st Year

Shaun Murgel begins his first year with the Torero coaching staff where he will coach the defensive linemen. Murgel comes to USD via the University of Montana Western where he was a defensive assistant coach since 2001.

This past season he was the linebackers coach, and in 2001 was the defensive ends coach. Prior to that he was head football coach at Shepherd High School in Shepherd, Montana (1996-2000) and assistant football coach at Broadwater High School (1995-96) in Townsend, Montana. He earned his B.S. in Secondary Education from Western Montana College in 1996.

STEVE JACOBACCI - Offensive Assistant/1st Year

Steve Jacobacci begins his first year with the Torero coaching staff where he will be an Offensive Assistant, and also coach the kickers and punters.

The past four years he was head coach at Patrick Henry HS. Prior to that he was an assistant at Patrick Henry twice ('95-99 & '85-90), head coach at Madison HS ('90-95) and assistant at USD High School ('78-85). Most of his coaching experience has been on the offensive side of the ball.

A 1968 graduate of USD (B.S. in Biology), he went on to earn his Master's in Education from San Diego State (1994). Since 1976 he taught Science and Chemistry at the high school level.

Steve and his wife, Stasia, have two children - Rochelle and Michael.

STRENGTH & CONDITIONING

The University of San Diego Athletic Department has made a commitment to increase the athletic ability of the entire student-athlete population. Therefore, each student-athlete will be given a sport specific training program based on the metabolic demands of their position and sport. This is accomplished by training for the proper combination of power, strength, size, speed, agility, flexibility, endurance, and footwork. It is the responsibility of the strength and conditioning staff to design and implement workouts, teach and demonstrate proper lifting technique, and to monitor and evaluate each individual athlete's progress, while maintaining a positive environment to train in. Along with increasing athletic ability, the strength staff also has the goal of decreasing athletic injuries both in and out of the athletic arena.

Student-athletes at the University of San Diego have two facilities in which they are allowed to train. Both facilities contain olympic platforms, free weights, selectorized machines, and cardio-vascular equipment. The main facility is the 5,000 square foot sports center weight room, which is open exclusively to student-athletes throughout the day. The second facility, a 3,000 square foot fitness center is located within the Jenny Craig Pavilion, USD's 5,100-seat athletic center.

The goal of the strength and conditioning department is to educate and motivate each student-athlete to maximize their genetic potential and create an environment where athletes can develop into champions both mentally and physically.

The Pioneer Football League begins its second decade of existence in 2003 - the league's 11th season - continuing its goal of operating a quality football program for the benefit of student-athletes and the university community.

The league is comprised of NCAA Division I universities that previously sponsored intercollegiate football at other levels with the exception of Jacksonville, which started a non-scholarship program in 1998. With the passing of NCAA legislation at the January 1991 convention, Division I institutions were required to conduct all intercollegiate sports at the divisional level. Therefore, the five charter members (Evansville the fifth before dropping football in 1997) joined, sharing a common academic and athletic philosophy and a common commitment to operate quality football programs.

The league grew to nine members with the 2001 addition of four new schools - Austin Peay State University, Davidson College, Jacksonville University and Morehead State University. That expansion also necessitated the formation of two divisions with charter members Butler University, the University of Dayton, Drake University and Valparaiso University, plus the University of San Diego (joining in 1992) forming the North Division and the newest members becoming the South Division. The league spent its first season in 1993 under the administrative guidance of the Midwestern Collegiate Conference, but the offices moved to St. Louis in 1994, where current commissioner Patty Viverito took over PFL leadership.

In 1996, the Yankee Conference, a football-only conference, disbanded as its members began playing under the Atlantic-10 umbrella, making the Pioneer Football League and the Gateway Football Conference the only Division I conferences that sponsor football as their only sport. Additionally, the PFL is one of four NCAA Division I-AA conferences that provide only need-based financial aid for football players. The PFL remains a proponent of NCAA Division I-AA legislation that would develop a classification for Division I football programs operating with need-based aid and adopted the moniker of Pioneer based on the intent to become the first league in that new division.

The Chet and Marguerite Pagni Family Athletic Hall of Fame

Two of the eighteen USD inductees to the Chet and Marguerite Pagni Family Athletic Hall of Fame played football for the USD Toreros. **Jan Chapman**, Class of 1961, was inducted in 1995. **Matt Maslowski**, Class of 1971, was inducted in 2001.

Jan Chapman was a three-sport letter winner at the University of San Diego, but it was football where he made a name for himself. His three-year totals as quarterback included 2,573 yards and 23 touchdowns on 188-for-367 passing. His senior year was his best when he completed 85-for-167 passes for 1,087 yards and 9 TD's, ranking him 23rd in the nation. Also as a punter, he ranked 3rd in the nation his sophomore year (43.8 yards per punt) and 6th in his senior campaign (43.2). He is the current USD season record holder for yards punted (2,287) and average (43.8). Chapman is still remembered for leading USD to a 21-20 upset over the Marine Corp Recruiting Depot which touted four future NFL stars.

Chapman's leadership abilities were demonstrated on the field as well as on campus. As co-captain for football his senior year, he received the Gil Kuhn Trophy as the Outstanding Gridder, given to the player that best demonstrated sportsmanship, performance in the highest degree, and leadership. He was also president of the Associated Student Body his senior year.

Since graduating in 1961, Jan has stayed in the San Diego area, giving back to the community by teaching and coaching at the high school and community college levels.

Matt Maslowski, after playing football at Mission Bay High School and Mesa Community College in San Diego, decided to continue his career at USD. At 6'3" and 205 lbs., Matt dominated as a receiver for the Toreros. During his first season, he was the leading club football receiver in the nation with 42 catches for 799 yards in only seven games. His collegiate career was cut short in 1970 due to injury, but he still managed some remarkable numbers during his career. Playing in only 11 games for USD, Matt had 80 catches for 1,552 yards and 18 touchdowns. He averaged a remarkable 19.4 yards per catch for the Toreros.

Because of his size and speed, Matt was offered a free agent contract by the Los Angeles Rams and played for George Allen and Tommy Prothro. In addition to the Rams, Matt played for the Chicago Bears, Minnesota Vikings and finished his career with the Florida Blazers of the World Football League.

At the request of a group of students in 1969, the University of San Diego agreed to bring football back eight years after dropping the sport. Under Coach Jim Gray, they started a club program. Matt and his teammates from the club football team laid the foundation for a solid football program still going strong.

Shaney Fink
Asst. AD for Academics

Shaney Fink begins her fourth year overseeing the Academic Support Program, and her first as an Assistant Director of Athletics for Academics. This past academic year eleven of the sixteen Torero teams had cumulative GPA's of 3.0 or higher.

Four seasons ago she assisted the Torero volleyball coaching staff, helping the Toreros to a 23-6 record and second round finish in the NCAA Tournament. Prior to USD she gained coaching experience at the high school, college and international levels for four years. She capped off a stellar collegiate career (1990-93) at Cal Berkeley and won selection to the All-Pac 10 Decade Team.

Fink earned her B.A. in Social Science from Berkeley in 1994. She is currently working on a Masters Degree at USD in Counseling. Shaney and her husband, Tom Vorkoper, reside in Encinitas.

During the 2002-03 academic year, thirteen USD football players received their undergraduate degrees at the spring graduation ceremony.

ACADEMIC SUPPORT CENTER

The USD Athletic Academic Support Program is designed to promote the academic development of student-athletes. The primary objective is to offer the necessary resources for the academic success of student-athletes as they work to earn their degree. Academic Support Services are designed to enhance the student-athlete's overall collegiate experience and encourage development and attainment of academic and career goals.

All USD student-athletes have access to advising, tutoring and mentoring services. The mentoring program, Access, was developed in 1999 and teams a graduate student in the Counseling program with an athlete who would like to enhance study skills, learn about campus resources and receive guidance on goal development and attainment. Student-athletes also have access to a quiet area where they can study or work in the computer center. In addition, student-athletes are encouraged to utilize the campus learning centers including the Writing, Math and Logic Centers as well as to take advantage of the resources available to them in the Career Center, Counseling Center and Computer Labs.

"The greatest challenge to a Division I athlete is to balance the demands of sport while taking full advantage of the educational experience offered. The purpose of our program is to assist student-athletes in meeting this challenge by offering tutoring, advising, mentoring and a quiet environment to study. The academic support program is designed to assist students in adjusting to life at USD and developing sound academic and career plans. By promoting a philosophy of individual responsibility, which encourages each student-athlete to value their educational experience, the academic support program assists each athlete to realize their full potential."

NCAA COMPLIANCE

I want to play Division I intercollegiate athletics at San Diego...

What do I need to do in order to play at San Diego as a freshman?

If you intend to participate in Division I or II athletics as a freshman, you must register and be certified by the NCAA Initial-Eligibility Clearinghouse. Your high school counselors should provide you with a student-release form and a brochure titled, "NCAA Guide for the College-Bound Student-Athlete." In order to be registered with the clearinghouse, you must complete the student-release form and mail the top (white) copy of the form to the clearinghouse along with the \$30 registration fee. Give the yellow and pink copies of the form to a high-school official who then sends the yellow copy, along with an official copy of your high-school transcript that includes your SAT or ACT score(s), to the clearinghouse. Your high school should keep the pink copy for its files. You may also register online at www.ncaaclearinghouse.net. After graduation and before the school closes for the summer, your school also must send the clearinghouse a copy of your final transcript that confirms graduation from high school. Your counselors can obtain registration materials, at no cost, by calling the clearinghouse at (319) 337-1492.

How do I know if I'm being recruited?

You become a "prospective student-athlete" when you start ninth-grade classes. Before the ninth grade, you become a prospective student-athlete if a college gives you (or your relatives or friends) any financial aid or other benefits that the college does not provide prospective students generally. You become a "recruited prospective student-athlete" at a particular college if any coach approaches you (or any member of your family) about enrolling and participating in athletics at that college. Activities by coaches that cause you to become a recruited prospective student-athlete are (1) providing you with an official visit; (2) placing more than one telephone call to you or any other member of your family; or (3) visiting you or any other member of your family anywhere other than the college campus.

Boosters: In addition to general recruiting regulations, no alumni, boosters or representatives of a college's athletics interests can be involved in your recruitment. There can be no phone calls or letters from boosters. If a USD booster is contacting you, please call the San Diego Compliance Office as soon as possible at (619) 260-7577. Don't risk your NCAA eligibility!

When can I talk to the coach and have him/her see me play?

Telephone Calls: In all sports other than football and basketball, phone calls from staff members (but not boosters) are not permitted until July 1 after completion of your junior year. In men's basketball, one telephone call to a prospect may be made during March of the prospect's junior year in high school. In both men's and women's basketball, one telephone call to a prospect may be made on or after June 21 following the prospect's junior year. In Football, a prospect may receive one phone call in May of the prospects junior year in high school and may start receiving additional calls after September 1 of your senior. Year. After this, a college coach is limited to one telephone call per week to you (or your parents or legal guardians), except that unlimited calls to you (or your parents or legal guardians) may be made under the following circumstances: (1) during the five days immediately before your official visit by the college you will be visiting; (2) on the day of a coach's off-campus contact with you by that coach; (3) on the initial date for signing the National Letter of Intent in your sport through two days after the initial signing date; and (4) you (or your parents) may telephone a coach at your expense as often as you wish. **Also, you may email a coach at anytime.**

Off-Campus Contacts: A college coach may contact you in person off the college campus only on or after July 1 after the completion of your junior year in high school. A contact is any face-to-face meeting between a college coach or athletics staff member and you or your parents, during which any of you say more than "hello." Also, any such face-to-face meeting that is prearranged or that takes place on your campus, at an organized competition or practice involving you or your high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of the conversation. Currently in all sports other than football, college coaches may contact you off the college campus no more than three times. However, a college coach may visit your high school (with the approval of your high school principle) only once a week during contact period.

Evaluations: An evaluation is any off-campus activity used to assess your academic qualifications or athletics ability, including a visit to your high school (during which no contact occurs) or watching you practice or compete at any site. Currently in all sports other than football and basketball, a college coach is limited to seven opportunities (contacts and evaluations combined) to recruit you and not more than three of the seven opportunities may be contacts. In basketball, coaches have a limit of five opportunities with which to recruit you (contact and evaluations combined) off the college campus. Not more than three of those five opportunities may be contacts. In football, a coach has three evaluation opportunities and six contact opportunities. Once you sign a National Letter of Intent, you may be evaluated an unlimited number of times by a college coach from the college with which you have signed.

Letters: Letters and printed recruiting information may be sent to you starting September 1st at the beginning of your junior year in high school. However, you may still contact a university prior to this date to receive general information (non-athletic related) prior to this date. You may also complete an athletic questionnaire prior to this date.

What Can I Receive from San Diego?

You (or your family) may not receive any benefit, inducement or arrangement, such as cash, clothing, camp, improper expenses, transportation, gifts or loans to encourage you to sign a National Letter of Intent or attend an NCAA college. The University of San Diego may offer you a one-year scholarship that covers room and board, tuition and fees, and required course-related books, or any part of these. The institution can recommend that this aid be renewed each year, as is the general practice at the University of San Diego.

Who do I contact with any Questions on Eligibility?

You may contact Mike Matoso, USD's Assistant Director of Athletics for Compliance at 619-260-7577 or by email at mmatoso@sandiego.edu.

SETTING

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university whose buildings became the inspiration for USD's architectural style.

THE CAMPUS

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring major buildings designed in an ornamental 16th century Spanish Renaissance style. Since 1984, USD has completed numerous major construction and expansion projects. In 2000 the Jenny Craig Pavilion, a 5,100-seat athletic center, opened its doors as home to USD volleyball and basketball. In the Fall of 2001 the Joan B. Kroc Institute for Peace and Justice opened on the west end of campus, and a new Science and Technology Center recently opened for the 2003-04 academic year. A five-story, Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories.

ATHLETICS

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. The football team is in its tenth season in the Pioneer Football League. Women's sports include: basketball, cross country, rowing, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, cross country, golf, football, rowing, soccer and tennis. Since 1990 USD teams have made 38 NCAA post-season appearances; garnered 35 All-America selections; had 32 Conference Coaches of the Year; 25 Conference Players of the Year; 14 Conference Freshmen of the Year; won 13 conference championships; and 4 WCC Scholar Athletes of the Year. Four seasons ago, Dylan Ching, USD's all-time career receiving leader, played in the Hula Bowl Senior All-Star game and was drafted in the 3rd round by the CFL's Saskatchewan Roughriders.

ACADEMICS

USD enrolls more than 7,200 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

STUDENT LIFE

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community participating in intramural sports.

DID YOU KNOW ?

The family of Donald and Darlene Shiley made the largest donation in its long history of philanthropy in 2002, a \$10 million naming gift for what will be known as the Donald P. Shiley Center for Science and Technology. Construction for the 150,000-square foot Center began in 2001.

The new Center, which opens this Fall, contains 73 state-of-the-art laboratory facilities for chemistry, biology, marine science and environmental studies, biochemistry, physics and related sciences.

Additionally, the building will include aquariums, an astronomy deck, an aviary, a greenhouse, and conference areas to accommodate gatherings of science-related groups and organizations.

TORERO FACILITIES

The University of San Diego has some of the finest athletic facilities on the west coast.

Newly-expanded Torero Stadium, home to USD football and both soccer programs, is also home field for the WUSA's San Diego Spirit women's professional soccer team.

The Jenny Craig Pavilion is home to volleyball and both basketball teams. This past March marked the third year of hosting the West Coast Conference Basketball Championships.

The Manchester Athletic Field, where football holds all of its practices, just received a new 130,000 square foot installation of artificial turf by Sprinturf. Besides the football field, it also serves a multipurpose use for Intramural soccer, football, softball, and for club rugby and lacrosse.

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county. Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.

As well as participating in recreational activities, San Diego supports their professional teams -- the NFL Chargers and the National League Padres play at Qualcomm Stadium. During college football bowl week, San Diego annually hosts the Pacific Life Holiday Bowl in late December. During 1998, Qualcomm Stadium hosted the Super Bowl game between Denver and Green Bay; followed by the World Series between the San Diego Padres and the New York Yankees. The Super Bowl returned to San Diego in January, 2003. Whatever sporting activity there is, it's here in San Diego -- the sports capital of the U.S.A.

A Message From President Lyons

The University of San Diego is very proud of the student-athletes that represent our institution on 16 men's and women's NCAA Division-I athletic teams. These are proud and serious competitors, honored to represent the University. The dedication you witness on the playing fields, on the court, on the course, or in the water is greatly matched in the classrooms, the laboratories, on stage, or in the community. More than a third of our student-athletes carry a grade-point average above 3.2, and 11 of our teams have a cumulative grade-point average above 3.0.

Athletics is vital to the University of San Diego, a way students, faculty, staff and alumni come together as one community. I am both a university president and a Torero fan; I look forward to sharing the excitement of Torero athletics with our many fans.

CoSIDA/Verizon Academic All-Americans

The CoSIDA/Verizon Academic All-America Football Team, selected annually by members of the College Sports Information Directors of America, honors the nation's best student-athletes. Just as the balancing of football and academics is difficult, the standards for nomination and selection to the team are rigorous. To be nominated, a varsity starter or key reserve player must have a minimum 3.200 cumulative grade-point average (on a 4.000 scale).

The program began in the 1950s with honorees in football; later, basketball and baseball all-academic teams were added. Academic and athletics biographical data of nominees are prepared in ballot form and mailed to the CoSIDA membership, who vote in each of eight districts. From the eight district teams comes a national ballot, distributed to the 1,400 members for the final all-academic team.

"The achievements of these young men should truly be commended," said NBC sportscaster Dick Enberg, spokesperson for the Verizon academic all-America team. "I often wonder where college students find the time and energy to play a demanding sport like football, excel in the classroom and be active on campus and in their communities. To me, these are truly all-Americans."

Below is a look at USD's football Verizon Academic All-Americans:

Dan Herbert

Herbert was a four-year letterwinner (1978-81) and in his senior campaign set a school record for interceptions in a season with 8 (still the current mark) ... the 1981 squad finished 9-1 ... besides earning Verizon Academic All-America honors, Dan earned Kodak College Division II All-America honors, was selected to the National Football Foundation and College Hall of Fame (San Diego Chapter) and participated in the 1981 Blue-Gray All-Star game. Dan is an attorney in San Diego.

Jeff Mansukhani

Jeff played four years between 1984-1987 as a wide receiver and kick returner ... he was selected 2nd Team Verizon/Academic All-American after his junior season when he hauled in a team-best 49 receptions for 811 yards (16.6 average) and 7 touchdowns ... he also averaged 15.6 yards on 9 punt returns and 23.3 yards on 18 kickoff returns ... his senior year (1987) he caught 17 receptions for 338 yards (19.9 average) and 3 touchdowns ... he was a two-time USD Offensive Player of the Year. Jeff is an attorney at law.

Bryan Day

Bryan played four years between 1985-88 as a defensive back ... he was the school's first two-time First Team GTE Academic All-American (1987 & 1988) ... he lead the Toreros' in tackles both his junior and senior campaigns and was a two-time USD Defensive Player of the Year ... in 1988 he tallied 88 tackles to go with 3 quarterback sacks (-17 yards), 2 forced fumbles, 4 fumble recoveries, 8 pass deflections and 2 interceptions ... in 1987 he totaled 91 tackles and 6 interceptions ... he carried a 3.78 grade point average in Business/Economics. He currently resides in Las Vegas, Nevada where he is an attorney.

John Gomez

John played four years at USD (1985-88) and earned 2nd Team Verizon/Academic All-America honors his senior year (1988) as a defensive lineman ... he started his career at USD as a linebacker before moving to the line for his final two seasons ... he started 7 games in 1987 when the team recorded four shutouts on their way to a 6-3-1 season ... in 1988 he totaled 34 tackles in 9 starts with 1 quarterback sack and 8 quarterback hurries. John resides in San Diego where he is an attorney.

Doug Popovich

Doug became the school's second student-athlete to be selected twice as a First Team Verizon/Academic All-American (1994, 1995) ... a two-time USD Defensive Player of the Year, Doug lead the team in tackles both his junior (142) and senior (125) campaigns ... three times he was selected the team's James B. Orwig Scholar Athlete of the Year ... he was named a \$25,000 Burger King Scholar-Athlete of the Week (Oct. 7, 1996) and earned a \$5,000 NCAA Post-Graduate Scholarship ... an Ocean Studies major at USD with a 3.88 grade-point-average, Doug attended Yale University's Graduate School.

Jeb Dougherty

In 1996 Jeb was selected First Team Verizon/Academic All-America after leading the Toreros in tackles (113) and averaging 28.0 yards per kickoff return ... in addition, he was named Associated Press I-AA Third Team All-America; First Team All-PFL; PFL All-Academic; a \$10,000 Burger King Scholar-Athlete of the Week; and the team's Defensive Player of the Year ... during his junior campaign he earned 2nd Team Verizon/Academic All-America honors as a defensive back ... a two-sport star, he was a Third Team Verizon Academic All-America selection in baseball his senior year in 1997 ... drafted in the 1997 June major league draft by the Anaheim Angels. Media Policies

Seating for media will be available in the press box on south side of Torero Stadium. Credentials should be requested at least one day in advance; they will be left at the will call window at the Jenny Craig Pavilion ticket office. There are no player interviews on game days until the completion of the contest. Photographers must have a field pass to shoot photography from the field on game days. After the game, head coach Kevin McGarry and selected players will be available after a ten-minute cooling down period. Approximately 15 minutes after the game, a final box with stats and play-by-play will be available. Media interested in interviewing either the coaches or players, or in attending practices, please contact Ted Gosen at (619) 260-4745.

All seven Torero home football games will be webcast live over the internet at WWW.USDTOREROS.COM.

Jack Murray (left photo) is back for his fourth year as voice of Torero football. Last year Murray also called the women's basketball home games, and baseball's WCC Championship and NCAA Regional contests. This coming season he will call play-by-play for the men's basketball home webcasts, as well as selected road games. Murray attended Syracuse University from 1971-76, and worked in promotions and marketing of Syracuse football and basketball games from 1971-78. Murray relocated to San Diego in 1980 where he continued his involvement with the local sports

scene - Clippers' Head Statistician (1980-84), College Basketball editor of San Diego Sports Magazine (1987-88), and as an assistant men's basketball coach at USIU (1988-91). Murray, who resides in Rancho San Diego with his wife Maria and three daughters - Kim (17), Jacqui (12) and Allyson (10), runs his own business: Outdoor Advertising Specialists.

Rick Hill (right photo) enters his second year as analyst for USD football games. A veteran of the San Diego sports and news scene, Rick has covered many local events including the NCAA Basketball Tournament; Heavyweight Fights; the World Series; the San Diego Padres; the San Diego Chargers; and many NFL Super Bowls. During Super Bowl week he is in charge of the NFL "On The Air" feed for radio stations around the country so they can keep up with all the events. A 1978 graduate of SDSU with a degree in Telecommunications, he currently works for Clear Channel Radio doing remote broadcasts for their 15-stations.
